

Care Services

Training Officer

At Child Action Northwest, there is a real commitment to providing the training and learning opportunities that our foster care and supported lodgings services require. In order to coordinate and deliver these opportunities we are recruiting a training officer who has the skills, experience and enthusiasm necessary to enable others to make a difference to the lives of young people in care.

The appointed person will deliver a range of established training programmes whilst designing and commissioning new and innovative learning opportunities in a supportive and creative environment.

In return, you will work with a team of committed professionals, experienced managers and inspirational foster carers and young people. You will receive excellent supervision and career development opportunities and have the time and space to deliver excellent training to receptive staff and carers. Our expectation of you is one of hard work but sharing and celebrating our successes.

For further enquiries or an informal discussion, please contact Andy Bennett, Operations Manager on 01254 244713.
